

MAKE A DIFFERENCE. JOIN PFAC

The Patient and Family Advisory Council (PFAC) is vital in supporting Spanish Peaks Regional Health Center's mission to enhance the quality, efficiency, and overall experiences of our patients and their families. As an advisory resource to our administration and staff, PFAC is composed of dedicated volunteers from our community, along with a few staff members.

We are always looking for enthusiastic individuals who are passionate about making a difference. Volunteers are expected to attend scheduled meetings and actively participate in discussions. By joining PFAC, you will play a key role in helping us deliver exceptional care to Huerfano County and beyond.

If you are interested in contributing to our community and improving healthcare services, we would love to hear from you!
